Supporting women to give golf a go Summer 2024

Golf is great ... for fitness and mental wellbeing ... for friendship and networking .. for getting you outside and into nature ... as a shared hobby with your partner and for the rest of the time, it's just good fun!

Women are underrepresented in Golf and we want to change that! Give golf a go and meet some of our friendly ladies by joining our 'pathway to golf program for women'. Choose one or all the options: just join the pathway and enjoy your golf!
